VISUALS AND FOOTAGE

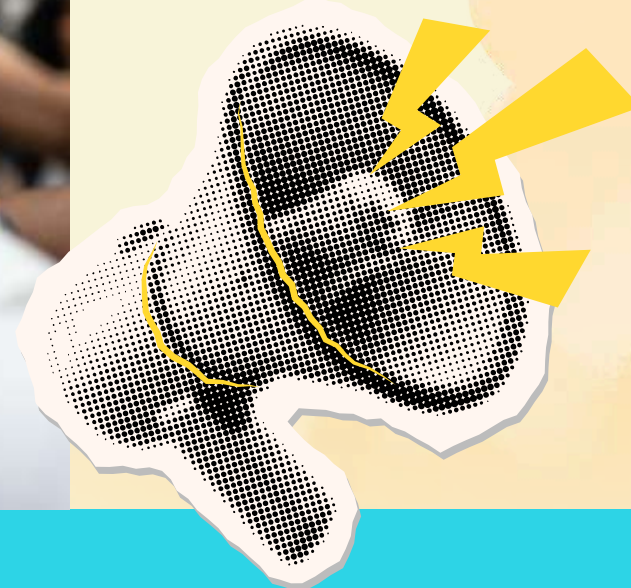

WHY IS IT IMPORTANT IN THE MEDIA?

Visuals and footage refers to images and video recordings that provides a visual representation of the event. Visuals and footage are important in the media because:

- They provide evidence
- Create impact (e.g. emotional response, public opinions.)
- Attract attention
- May be misleading (e.g. taken out of context, framing, or edited.)

WHICH IMAGE CREATES A STRONGER EMOTIONAL RESPONSE?

The second image creates a stronger emotional response because it shows the **facial expression** of a protester. Making the appeal of the concern emotional for people who receive the impacts.

An illustration of a person with dark hair and an orange face, wearing a purple long-sleeved shirt and purple pants with white stripes. They are holding a large, light orange rectangular sign with both hands. The sign has the text 'LIFE IS BETTER WITH TREES' written in a dark green, hand-drawn font. The background is a stylized landscape with green hills, a blue sky with white clouds, and a blue body of water.

*LIFE IS
BETTER
WITH TREES*

WHICH IMAGE APPEARS PEACEFUL?

Image number 3 because it looks more organized compared to picture 2. Image number 3 shows a large group of people just standing still. Protesting in a peaceful manner, which is calm and organized.

WHAT INFORMATION IS MISSING FROM EACH IMAGE?
